Procedures

Awards decisions will be based on the information presented in the nomination packet. It is, therefore, of the utmost importance that the nominations be carefully prepared.

THE NOMINATION PACKET MUST INCLUDE:

- › The form to the right of this panel.
- › An original and two copies of a narrative in support of the nomination, not to exceed six pages, typed, on one side of standard 8 1/2” x 11” paper.
- › These six pages may include supporting materials, such as newspaper clippings, which should be copies, not originals.
- › An original and two copies of letters of endorsement from three experts or professionals in the nominee’s field. The endorser’s position should be identified by the letterhead or in the body of the letter. If an endorser is related to or currently affiliated with the nominee, such relationship or affiliation must be disclosed in the endorser’s letter. All letters of endorsement for a nominee must be from persons other than the nominator. Each of the three letters of endorsement may not exceed two pages, typed, one side of standard 8 1/2” x 11” paper.

Where nominations are in the category of service, both the quality of the art and the nature of the service must be adequately documented in the nomination packet.
